A Refuge for the Homeless

Squiggle

Squiggle came to us after she was rescued from a prison building, where she had been abandoned. She quickly earned her name Squiggle because she was a cross between a 'sweet' and a 'wiggle'. We recently took Squiggle to an Adoption Day at PetCo where she met a wonderful family including their precious little girl who fell in love with her and decided that Squiggle would make a great addition to their family. Squiggle is just one of many 'rags to riches' stories we could share with you this Holiday Season.

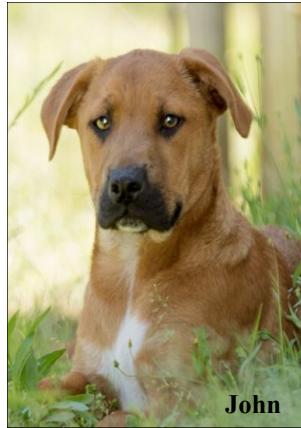

^Because of your generous support, Squiggle, and many other dogs from Rescue K911 found refuge and shelter and then went on to find a loving home all their very own this Christmas.

***From our home to yours,
Happy Howlidays from all of us
here at Rescue K911! Bow-Wow!***

elderly, these are but a few
homeless and abandoned dogs
in our care in 2015.
We try to save their lives, provide
them shelter, but we went on to
find every dog wants more than
just a home of their own.
Many of the dogs we see here have already been
adopted. Some have a home here with us
and some can be found. We are
open from the pups to our elderly.
