A Refuge for the Homeless

To our friends at:

Little lives will be saved and those once homeless will now have a home of their own this Christmas... Because of you! Thank you for helping the Dogs of Rescue K911!

A gift donation can be made in honor or memory of your loved ones to help the homeless this year. Let us send the card for you.

Sabrina literally rescued herself. This smart girl found out a way to open our gate—and when Larry and I came home from town, there she was, greeting us, wagging her tail and acting like she had always been with us. Her frail body and the look of many litters told us she needed help. She has since put on weight, been spayed and is doing well. Very smart and a delightful personality. Would love to find Sabrina a home of her own. Wouldn't that be wonderful!

^Because of your generous support, Sabrina, and many other dogs from Rescue K911 found refuge and shelter and then went on to find a loving home all their very own this Christmas.

We will be happy to notify your loved ones of your kind donation to us in their honor. Just include their information.

Happy Howlidays from Larry & Loraine & all the little ones of Rescue K 911

From the pups to the elderly, these are but a few photos of the once homeless and abandoned dogs that came into our care so far in 2014. Not only were we able to save their lives, provide food, medical care and shelter, but we went on to help many find what every dog wants more than anything...a home of their own. Some of the dogs you see here have already been adopted, and the others have a home here with us until their adoptive family can be found. We are committed to each one, from the pups to our elderly.

Your continued support makes all the difference in saving precious lives!

Thank you for helping us help the homeless!
