## OUR MISSION

Rescue K911 is an all-volunteer organization operating solely on donations and help from those that love animals. A sanctuary for the homeless, Rescue K911 is dedicated to providing food, medical care and shelter, along with caring hearts and loving arms. Giving each rescued animal another chance at life and love.

*Making a difference...one precious life at a time.*

*Be sure to like us on our Facebook Page. Thank you!*

## A Line from Loraine

*Dear Rescue K911 Family:*

*It is so good to be with you again. Please forgive the delay in getting our Newsletters out. First, we lost our resource for printing our newsletters back in February, and it seems since then it has been one thing after the other, including computer crashes But, so happy we've got it all figured out and can come and be with you again.*

*We've got so much to share with you. From rescue stories, to adoptions, to Buddy's Barn, and to those that have reached out to help us along the way.*

*Just in the past few months, we've rescued many precious dogs. Little ones with Cancer, little ones lost and homeless and injured. We've held a little three week old pup barely alive, feeding him around the clock, willing him to hang on. During the midnight hours we've held our frail elderly, hand feeding, praying for just a little more time together. But one thing has been constant through all of this...YOU. We've received your kind donations, we've felt your prayers during our best and our hardest of times, and it is what keeps us going. Thank you for all your love, support and prayers to all of us at Rescue K911. Thank you for remembering us.*

**We couldn't make it without you!**

***Larry & Loraine & all the little ones of Rescue K911***

**♥Don't forget to save your Purina Weight Circles for us. They are a wonderful help to us and help us with our vet bill...thank you!**

## Our Cover Boy—Oscar

*He came to us on a Sunday afternoon. A kind person had spotted him limping along the highway and brought him to us. With his skin infected and not able to put any weight on his front leg, we felt he must have been hit by a car. In spite of his injuries we found him to be a sweet loving fellow and couldn't help but love him instantly. We named him Oscar.*

*First thing Monday morning Oscar was at the vets office who immediately put him on IV fluids and antibiotics. X-rays revealed that he had not been hit by a car, as we had thought...he had been shot! The gunshot at such close range, the wad was embedded in his shattered shoulder. Oscar would need surgery to remove.*

*at him running like the wind. We found him to be such a precious little dog.*

*Oscar responded very well to daily therapy (medication and wound cleaning) in Shadow's Rest. Mr. Larry was so gentle. It wasn't long before he was healing, and if you didn't know any better, would marvel*

*Update: Through word of mouth by one of our friends who loved him, (thanks Rhonda), Oscar has been adopted. He has found a wonderful family who love and adore him. He has moved to his new home in Auburn, and we hear he is doing fine!*

## *'Home-Coming' Photos*

*From being abandoned, unloved, and homeless to know cradled in the arms of a family promising a lifetime of love and care—it is what we work so hard for, and what encourages us the most here at Rescue K911! Thank you for adopting from us, for when you do, you create a space available for another in need.*

# Buddy's Barn

## Thank you!

*It was a BIG Project—to concrete our 41x140 Barn area, install 280 feet of drains in floor, 6 hose outlets, set posts for future extensions, install injector pump to septic, electrical, plumbing, etc, etc. To be honest, Larry and I were a bit overwhelmed with the prospect of it all, wondering how it could be done? Then...you came along, believing in us to make this dream come true for the dogs. You sent in your donations, you showed up for workdays, taking down and relocating kennels, everything needed for Buddy's Barn. You gave us faith, and before we knew it, it was done!*

*Concreting the barn solved many skin issues the dogs were having, and as you can see from the finished project, they are cleaner and happier. We are so proud of the way things look and smell better too!*

**We couldn't have done it without you!! Thank you!**

**Special thanks to:**

**John & Rhodes Brothers Construction**

**Kelly Pemberton Concrete**
