OUR MISSION

Rescue K911 is an all-volunteer organization operating solely on donations and help from those that love animals. A sanctuary for the homeless, Rescue K911 is dedicated to providing food, medical care and shelter, along with caring hearts and loving arms. Giving each rescued animal another chance at life and love.

Making a difference...one precious life at a time.

Be sure to like us on our Facebook Page. Thank you!

From Larry & Loraine

Dear Rescue K911 Family:

It is so good to be with you again. It seems this year has flown by so fast and here we are already at the end of 2018.

What a year it has been for us! A year of such wonderful rescues, and yet a year filled with heartache. This year we have had to say goodbye to a number of our elderly dogs that have been with us for a long time. Baby, our little girl, born with only one leg passed away in January. For 16 years she brought us so much joy. Then the son of one of our wonderful volunteers, Susan, unexpectedly passed away. Chris was such a blessing to all that knew him. When he would come and visit the rescue, how his smile would light up and bring such joy to everyone. The dogs adored him. Chief our Great Pyrenees was drawn to him. We were all devastated to lose such a shining light, and when one of our own is hurting, we all hurt and share our pain. (I wrote a memorial to them on Page 7)

We've received your kind prayers, gifts and letters and want to thank you for your generosity and support to Rescue K911. YOU are what make it possible for us to reach out and help the homeless.. We've received the supplies you sent that have helped us in our time of need. Thank you so much. To our volunteers that come every week and give of their time and helping hands we thank you. To our Auburn GameDay parking coordinator and volunteers we thank you for standing along the roadside pulling cars in to park to help our rescued dogs. What a blessing you are to us.

From our hearts to yours we wish for you a very Merry Christmas and Happy Holidays Thank you for helping the homeless.

Larry & Loraine & all the little ones of Rescue K911.

****Special thanks to Connie Collum Photography for her beautiful photo's of our rescues. What a great job she does! www.conniecollumphotography.com**

In Loving Memory...

*You slipped away so quietly,
So unexpectedly it seemed.
Like sand through my fingers
So quietly, so quickly, like a dream.*

*If I had only known,
Today would have been our last,
I would have held you just a little longer
Hugging so tightly, till the day was past.*

*I would have told you again,
How much joy, your love fills my life
Just your presence in the world,
Helps ease life's pains and strife*

*Yet, you slipped away so quietly,
Before I knew, it was time to say goodbye.
Were you hoping it would lessen my pain?
And I wouldn't have time to cry?*

*Were you hoping your leaving this way,
Wouldn't hurt as long or as much?
Did you forget we've been together too long,
A part of each other...hearts that have touched.*

*Now holding so tight to all my memories,
Of our days together, you and I.
Missing you so much sweet one,
Your picture I've kissed a thousand times.*

*Knowing I must go on,
For many others depending on me each day,
I gather up the broken pieces
Mending a heart that will never be the same.*

*Please keep watch over us,
As you've always done before
Till we meet again, pain and sorrow done,
Together, forever, on that beautiful shore.*

*Written by Loraine Weaver
In loving memory of Chris Cochrane & Baby Weaver*

Homecomings—Cont'd

Blessings & Special Thanks

We'd like to thank our friend Mary, who when she bought a new car decided to donate her old car to Rescue K911. What a wonderful gift Mary, thank you so much. (We will be selling the car after the first of the year. If you are interested in buying a 2005 Dodge Stratus, 72,600 miles at a great price, please let us know.

We'd like to thank Auburn University College of Vet Medicine Class of 2021 for coming out to help our rescued dogs. What a blessing they are to us!!!

We'd like to thank our friends at J. Smith Lanier for not only helping us with all our Insurance needs, but also reaching out to support us as well. What a wonderful group.

A Charlie Brown Christmas

Charlie Brown came to us in the usual way. A little homeless boy on the streets of Opelika. Neighbors who contacted us and brought him to us said the owners had moved away and left him behind. Of course it was love at first sight for us and we knew this sweet lovable boy would find a family soon all his own. A family that would never leave him behind. Sure enough, it wasn't long before we got a call from the Arnold family who wanted to give Charlie Brown a forever home. Not long after adoption I contacted them to see how Charlie Brown was getting along.. I remember tears rolling down my face when I got the reply.

Dear Rescue K911:

We just bought Charlie Brown his own ottoman to sleep on and he loves it. He spends most of his time with my dad now because I see a light in my dad's eyes I haven't seen in a long time. He has purpose now - Charlie Brown. You would be so happy to see how loved and spoiled he is. I visit most everyday and we miss him but the joy he brings my dad is immeasurable. My mom is crazy about him too. He actually

wrapped his paws around my dad's legs as if he were hugging him yesterday. They take naps together during the day and go for long walks. My dad said if everyone had a dog like him the world would be a better place. He also said you couldn't pay him any amount of money for that dog. Thank you again. He has brought so much happiness to our family.

I hope all of us can have as wonderful Christmas as Charlie Brown will have this year. Wishing everyone a Charlie Brown Christmas!

Homecomings

From being abandoned, unloved and homeless—to now cradled in the arms of a family promising a lifetime of love and care—is what we work so hard for, and what encourages us the most here at Rescue K911. Through our adopted dogs we have met some of the most wonderful people in the world. Here are a few.
