*Dear Rescue K911 Family:*  
*Larry and I never want to pass up an opportunity to thank you, our supporters, for all the wonderful things you have helped us accomplish this year. Not only have you helped us to rescue and care for many homeless dogs, helping us to provide the many things that they require, but you also have enabled us to make their lives and stay with us better. Thank you for your never ending kindness to us and allowing us to do what we are called to do...helping the homeless. We are forever grateful.*

*That you will have a blessed and wonderful Holiday Season is our prayer.*  
**Thank you for helping the homeless!**

RESCUE K911

*Your support helps us to meet needs and save lives*

**Little lives will be saved and those once homeless will now have a home of their own this Christmas... Because of you! Thank you for helping the Dogs of Rescue K911!**

**Thank you!  
Your support helps us help them!**

**S**he came to us this past August, like so many others—abandoned along a rural road, in pretty bad shape. Weak and malnourished, but her tail never ceased to wag in recognition of her rescuers gathered around to help her. X-rays revealed she had been hit by a car at one point in her young life, and she had also been shot. (Also diagnosed Heartworm positive). But we found instilled in Sweet Pea, a strong will to survive. And survive she has. She is getting stronger each day and this lanky and playful lab and greyhound mix sure loves to run. She has taught us, like so

**^Because of your generous support, Sweet Pea is on the mend and getting stronger each day.**

many of our other rescued dogs, the lesson to go and live life to the fullest, no matter what obstacles we may encounter. She is a very sweet girl, loves to cuddle, and I think she dreams of being someone's lap dog, and a home of her own very soon.

**Your support to Rescue K911 makes all this possible, not only for Sweet Pea, but for all of us here at the Rescue. Thank you!**

# A Home for the Holidays

*From being abandoned, unloved and homeless—to now cradled in the arms of a family promising a lifetime of love and care—is what we work so hard for, and what encourages us the most here at Rescue K911. Through our adopted dogs we have met some of the most wonderful people in the world. Here are a few.*
